Times, 2id inst] the harve or row over a large of the As-House, at Mr. Draper's office, at John As-ig and Son's, in William street, and at Com-sioner Cholwell's, in Maiden Lane. The versor passed to and fre between these lo-ities, and arreited all his good nature to-ards arrenging for a quorum of the Board, namicaloner Cholwell called on Mr. Draper was the Corento, as the Governor, as

The Topeks Convention.

Tornax, Kamsa, July 16.

The Convention, just adjourned at Topeks, was one of the largest and most carnest ever held. A strong position has been taken in favor of the Topeks Constitution. It was dermined that Congress must and shall adult Kamss under it. State officers were nominated, the old incumbents being re-nominated.

The census returns show between twenty and thirty thousand voters. It is determined to resubmit the Topeks Constitution in August to the people. Gen. Lane has been authorized to organize the people thoroughly, so that they may be prepared to defend the ballot-boxes at the Territorial election in October. reet, and these with the establishment of the cell. Together with the establishment of the cell of the

Bunks sent us the New York dailies of Thurs

He had conveyed every impression of his tractability to his associates, and to friends of the Board before Mr. Draper's resignation had been made, that his action would conform to the whites of the other members. The came of that resignation had first been manifested, and the intent declaract ten days before the fact was published, when some little difficulty occurred between Mr. Stranahan and Mr. Draper in regard to the Second Ward appointments. After some sounding and temporating, everything was thought to be safe, the move was made, and, lof Cholwell proves to be one-half Know Knothing, and the other half that Shell Democrat, just as all his appointments on the new police had proved to be. It now seems that he will vote for no Republican to fill the vacancy in the Police Board. Hence the number of Republicans in the Board must be limited to the existing three. A BRUTE.—A miserable pinp named Sidney B Hendricks was fined \$12 for brutally teating Geor-riana Wentworth, a produtate with whom he lives. LABORNY.-Michael Lewis was brought befo Fixer PRESERVENTAN CRURCH.—This fine Norman edifice, on Wabash Avenue, is nearly completed and will probably be opened for worship before the middle of August. Railroad Negotiation.

We are authorized to my that the amouncement made by some of our cotemporaries of an arrangement concluded between the Michigan Scuthern Company and the Pittsburg, Fort Wayne and Chicago Railroad Company, that would obviate the necessity of building the road of the latter Company beyond Plymouth, is premature and not authorized on the part of that Company. Negotiations have been pending on the basis of an equality of privileges in the operation of the Michigan Seguitern road from Laporte to Chicago, and with a view to seeme to the Pittsburg, Fort Wayne and Chicago Company all the substantial advantage (Including an adoptation of guage to its own machinery) that would result from the sonstruction of its own line from Plymouth to Chicago. On no condideration will the latter Company surrender its position or impair its distinctive character as an independent line from Pittsburg to Chicago. As yet the negotiations between the parties have not assement

of the Constitution of the State of Illinois mays:

"That the people shall be secured in their persons, houses, papers and possessions from unreasonable searches, sciences; and than a general warrant ited, or to seize any purson or persons not named some offences are not particularly described and

And then see. II, or the Police Ordinance of the City of Chicago, says:

"The Marshal, Captain of Police, Lieutenants, Surgeauts, Police Constables, and Policemen, respectively, shall have power and authority, in a passeable manner, or if reclused admittance after demand is made, with force, to enter into a house, store, grocery, shep or other building whatever in the city, in which any person or persons may reseasably be expected to be for unlawful surpress and the city, in which any person or persons may res-sonably he expected to be for unlawful purposes and if any person or persons shall be found therein, guity of any crime or misdameanor, or violation of any ordinance for the preservation of the peace and good order of the city, or who may reasonably be suspected thereof or who shall be aiding or abet ting such person or persons so found, said police officers shall apprehend and keep in custody such person or persons as in cases of other arrests made be sailes officers."

do they not make this section in the police ordi nance, which allows every policeman to enter the nonse of any citizen without a warrant, the great Republican doctrine, "My house in my castle," null and void?

Discussion of the Gamaines.—The case of the gamblers, continued from Tuesday was taken up in the Police Court yesterday morning before Justice King. The Justice overruled the plea in abatement made by the defense, but declined to give his resons for so doing. The defendants then took a change of venue before Justice Milliken. The case change of venue before fusion and in the case of Harvey Smith was first called up. In this case a plea in abatement was field denying the jurisdiction of the Court, for the reason that the warrant was issued without a proper cath or affidavis having been first made, and moved that the warrant is quashed and the case dismissed. After hearing the rgument of the counsel the warrant was qu

argument of the connel the warrant was quashed, the Justice however deciding that the warrant, by this proceeding, became simply a summons and was sufficient to hold the parties for trial. The City Attorney stated that he intended to pro-secute the prisoners under that clause of the ord-nance imposing a penalty against persons for being immates of gambling houses. Defendant's coursed them moved to discharge the prisoners on the ground that that dispuss to the confusions is null and walk then moved to decharge the prisoners on the ground that that clause in the ordinance is null and wolf for the reason that the Council have no autho-rity granted in the Charter for punishing persons for being simply imastes of gambling houses. The motion was overruled and the case was tried upon

the defendable, on the evening the arrest was made, n a room used for gam ling purposes, that some of them were slitting round a table upon which were implificate used for gambling and also that there was money and some fare checks upon the

such place, or a person found there but therefore an inmate with the meaning of

nance. The Justice also stated that automatical defendant might be a professional gamble, and may have been in this recent for the purpose of gambling, still such was not the proof and he most be governed by the evidence in rendering a judicial decision, however much it was to be regreted, the evidence was insufficient to warrant a conviction.

The evidence in the other cases being precisely The evidence in the case of Smith, they were dis-similar to that in the case of Smith, they were dis-mised by the City Attorney. These gamblers are all indicted in the Recorder's Court and will probably be tried at the next September term.

ably be tried at the next September term.

Numer vim Stragers.—We are not sufficiently familiar with the municipal chicane to know whose prevince it is to belet the street corners and number the houses, but if such duties devolve or anybody in Chicago, the party should be thrust out of office with all convenient despatch. The aggregate of time and since leather wasted in hunting houses whose locality is defined by their respective directions and distance from had smelling sund holes, preposterous beer shops, and unheard-of lumber yards and parking houses, is both enorations and shameful. The expenditure of hard swearing which accompanies the same process, on the part of both hunter and hunted, absorbs a capital of cornestifes, cuberprise and ingenuity which would carry out the desired reform on any day of the current year. Mrs. A. calls at a store and pur-

out the desired reform on any day of the current year. Mrs. A calls at a store and purchases four yards of hombasine, which she desires sent home at precisely nine minutes before twelve o'clock. She leaves her address as Mary Anh Street, five doors from Mixeumarous Avenue, and, by waylof making it irredstably plain to the delivery clerk, tells him the exact number of lumber yards and maddine shops he will find on
